PRODUCTIVITY

- Rapidly digitise paper documents with fast one-pass double-sided scanning.
- Increase efficiency with automated processes and intuitive scan, store and search workflows.
- Native Microsoft Universal Print support allows effortlessly printing from the cloud.
- Create text searchable documents by converting paper originals to electronic data with OOXML – Send function.
- Cater to busy offices with a wide range of paper media, including A6 media support.

USER EXPERIENCE

- The large 7-inch/17.8 cm colour touchscreen has smartphone-like functionality for easy operation.
- Speed up daily tasks by personalising display options for multiple users.
- Minimise physical device interaction with one-touch controls.
- Timeline saves the last 9 operations so you can quickly repeat frequently used jobs.
- Improved visual messaging makes functions clearer and easier to use.

CLOUD CONNECTIVITY

- Simplify print management and reduce costs with full uniFLOW compatibility.
- The single integrated cloud solution provides intelligent auditing, budgeting and reporting.
- Print from anywhere, with an iOS direct connection thanks to mobile devices connectivity.

SECURITY

- Embedded McAfee Protected guards against advanced threats and data loss by blocking unauthorized applications.
- TLS 1.3 support ensures compliance and privacy regulations with enhanced security protocol and strong data encryption.
- SIEM (Security Information and Event Management) supports real-time threat detection and security incident response.
- Dual network – wired/wired – helps prevent unauthorised access to secured or personal networks as well offering a stable connection, wherever the device location.
- Protect document and data confidentiality with Secure Print and Encrypted PDF functions.

CONTROL AND MAINTENANCE

- Centrally manage print settings and device usage analysis through uniFLOW print management solutions.
- Maximise device uptime and optimise consumables with remote diagnostics, automated meter readings and consumables monitoring from e-Maintenance.
- The Content Delivery System automatically delivers firmware updates for continued security.
- Access system functions on the device remotely with the Remote Operators Software Kit.
- Easily manage, monitor and control multiple networked printers with IWEMC.

SUSTAINABILITY

- Minimise paper and toner wastage by editing print settings at device with Forced Hold Print.
- Reduce running costs with low energy consumption.
- Further minimise paper usage with automated and digitised processes from cloud collaboration.

QUICK FACTS

imageRUNNER C1538iF

- Print, Copy, Scan, Send and Fax
- 7-inch/17.8cm LCD colour touchscreen
- Print Speed: 38ppm (A4)
- Print resolution: Up to 1,200 x 1,200 dpi
- Scan speed: Up to 150ipm with One Pass Scan
- Mobile and cloud printing: AirPrint, Mopria, Canon PRINT Business and uniFLOW Online
- Dual Network, Wi-Fi, USB and QR Code connectivity
- Max paper input capacity: 2,300 sheets

imageRUNNER C1533iF

- Print, Copy, Scan, Send and Fax
- 7-inch/17.8cm LCD colour touchscreen
- Print Speed: 33ppm (A4)
- Print resolution: Up to 1,200 x 1,200 dpi
- Scan speed: Up to 150ipm with One Pass Scan
- Mobile and cloud printing: AirPrint, Mopria, Canon PRINT Business and uniFLOW Online
- Dual Network, Wi-Fi, USB and QR Code connectivity
