Much more than a new range. It is a whole new way to connect your business.

With thirteen models available, these hard workers form part of our flagship A3 colour Smart MFP range. Each model offers superb reliability, output quality and workplace productivity – so no matter which one you choose, these are the perfect devices for your high output, multipurpose environment. These devices have a Smart Operation Panel and they are designed to help you increase productivity thanks to their rich functionality – including several finishing options, banner printing capabilities and a new Intel processor.

- Intuitive touch and swipe Smart Operation Panel
- New Intel Processor increases productivity
- Human Detection Sensor
- Offers a range of great finishing options
- Standard PostScript 3 emulation

Business intelligence at your fingertips.

Our intuitive touch and swipe 10.1-inch tablet-like colour Smart Operation Panel is here to improve your workflow and simplify mobile and flexible working. The large tiltable widescreen operation panel is customisable and offers a range of features, including one-touch icons, internet browser capability and productivity-enhancing apps.

Mobility now built-in.

These MFPs are simple to incorporate into your device and machine fleet for improved workflow. Connect and operate your MFP from mobile devices, integrate with smart phones and tablets, and enable access and printing from virtually anywhere. You can also easily scan and save full colour documents straight to email, portable media and folders.
