

### Enhanced Control

- User friendly, fully customisable 3.5" LCD display
- One touch scan and send function

### Easy mobile print and scan

- Advanced connectivity with embedded Wi-Fi and support for mobile printing standards
- Further flexibility for scanning and sharing documents via mobile devices through SEND Kit

### Increased productivity

- Speed up scanning with MF Tool application and one scan pass Copy ID function
- Improve the workflow further with Duplex print and Automatic document feeder

### Improved Security

- Monitor and control device access with Department ID user authentication tool
- Protect your documents with Secure print and Authorised SEND functions

# ALL-IN-ONE DOCUMENT SOLUTIONS CANON **imageRUNNER** 2206 SERIES

Reliable and affordable, the new compact range of A3 mono printers optimise workflows and speed up every day document handling. With options like Automatic Document Feeder, Double-sided printing, Network and Wi-Fi support and Secure print, they can easily replace all other office solutions - saving space and money.
